

!! CONSTRUCTION ALERT !!

CENTRAL HEBER WATER & SEWER REPLACEMENT PROJECT

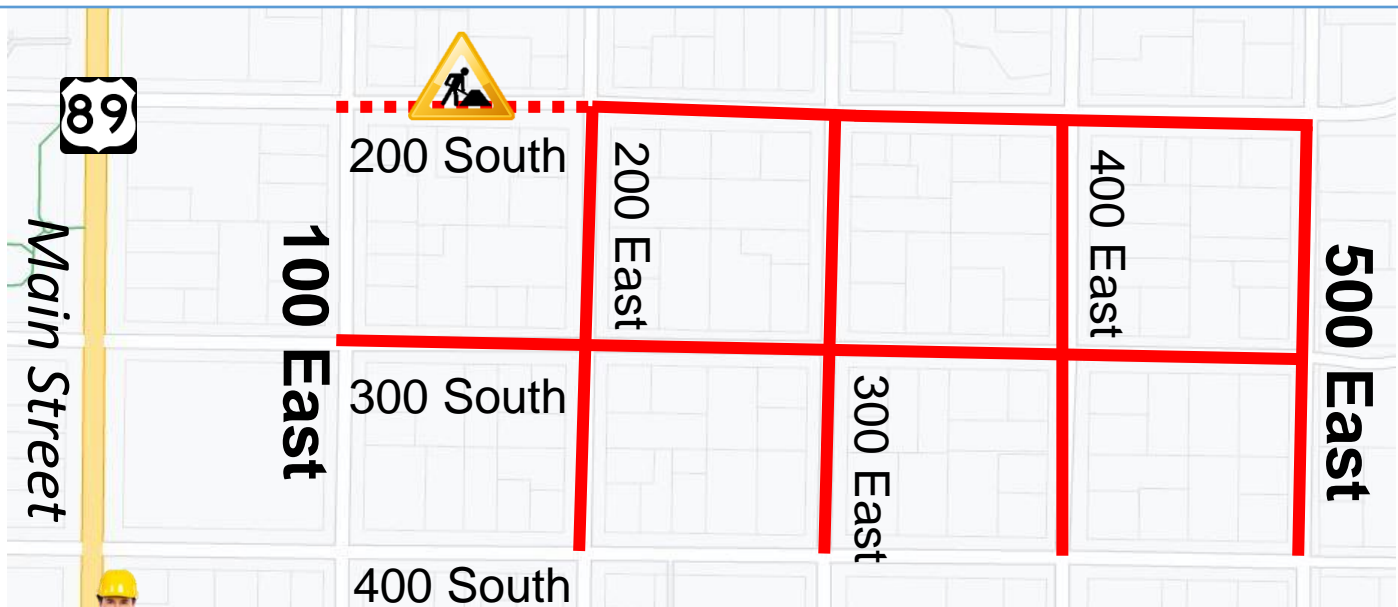

▶ NOTICE: Construction Work Between 100 and 500 East

Based on survey results from residents in the area, Heber City has approved Winter work to help ensure the project stays on schedule.

Work has begun along 200 South and will be moving South and East toward your block over the next several months. This will require the closure of residential streets, in sections, through Spring 2023. Since water and sewer lines will be replaced, be prepared for intermittent disruptions to your service. Final paving is expected to be completed by Spring 2023.

You will be provided a 48-hour notice. (Note: Most service disconnects last 4-8 hours)
